## **EMPLOYMENT**

---

### **MID-OHIO PSYCHOLOGICAL SERVICES, INC.**

**Therapeutic Mentor Program Coordinator, September 14, 2013-Present**  
**Clinical Psychologist (#7539)/Clinical Supervisor, February 2016-Present**

Responsible for program development of the “Therapeutic Mentor Program” as well as building relationships with community and referral agencies. Responsible for monitoring the productivity, supervising standard operating procedures, routines, and practices; and clinical oversight of therapeutic mentors and doctoral interns. Provide individual and group supervision to therapeutic mentors to assure the quality of clinical services provided by supervisees. Also responsible for reviewing charts for case and documentation standards and compliance.

Responsible for providing individual, couple’s marital, and family therapy. Co-facilitator for the Behavioral Management with the Developmentally Disabled (BMDD) group for adult individuals diagnosed with developmental disabilities.

**Clinician I, August 31, 2013-September 14, 2013**  
**Clinical Supervisor: Dr. Claire Robitaille, Ph.D.**

Responsible for completing diagnostic assessments, providing individual, family and group therapy, and ensuring the timely and accurate completion of clinical documentation.

**APPIC Psychology Intern, September 4, 2012-August 31, 2013**  
**Clinical Supervisor: Dr. Claire Robitaille, Ph.D.**

Responsible for completing diagnostic assessments and providing individual and family therapy to children and adults ages 5 years and older. Co-facilitated the “Sexually Aggressive Youth” program to juveniles charged with sexual offenses. Also responsible for completing psychological evaluations, and ensuring complete, accurate, and timely completion of clinical documentation.

## **SIX COUNTY INCORPORATED**

### **Psychology Assistant/Outpatient Clinician, October 2009-July 31, 2012**

**Clinical Supervisors: Dr. Nicolaas Dubbeling and Dr. Dinah Meyer**

Responsible for administering, scoring, and interpreting psychological tests such as the Wechsler Adult Intelligence scale, Fourth Edition (WAIS-IV), Wide Range Achievement Test, Fourth Edition (WRAT-IV), and Minnesota Multiphasic Personality Assessment, Second Edition, Restructured Form (MMPI-2-RF) and writing psychological reports for individuals referred for such evaluations within the community mental health agency. Also responsible for completing mental health assessments, providing outpatient counseling to individuals, couples, and families as well as completing all required paperwork in the Electronic Medical Records (EMR) system.

## **GUERNSEY COUNTY JOB & FAMILY SERVICE'S (GCJFS)**

### **Disability Assessment Contractor, October 2009-July 2012**

**Clinical Supervisor: Dr. Nicolaas Dubbeling**

Responsibilities included completing Mental Status Examination (MSE), obtaining background employment information, nature of emotional/psychological disability, and determining length of disability if symptom severity was deemed to impair an individual's ability to obtain or maintain employment. Additional responsibilities included administering the Wide Range Achievement Test, Fourth Edition (WRAT-IV) if an individual is suspected of having a learning disability for further determination of disability and subsequent inability to obtain or maintain employment.

## **OHIO REHABILITATION SERVICE'S COMMISSION (ORSC)**

### **Vocational Rehabilitation Contractor, July 2011-July 2012**

**Clinical Supervisor: Dr. Nicolaas Dubbeling**

Responsible for completing psychological evaluations for individuals referred by the ORSC who are determined to have emotional, psychological, substance abuse, and/or legal problems that interfere with their ability to obtain or maintain employment. Psychological evaluations include administering, scoring, interpreting, and writing integrated reports utilizing the WAIS-IV, WRAT-IV, and MMPI-2-RF. Comprehensive evaluations also include completing a mental health assessment and clinical interview in order to obtain diagnostic impressions and thorough psychosocial history.

## **SIX COUNTY INCORPORATED**

### **Crisis Therapist/Crisis Technician II, June 2003-October 2009**

**Clinical Supervisor: Susie Pettit, MSW**

Responsibilities included providing supportive, crisis intervention and psychoeducation to clients, families, and significant others regarding psychiatric disabilities. Responsible for developing treatment plans, providing individual and group therapy; assisting with monitoring

the self-administration of medications; discharge planning; developing crisis resolution for crisis hotline callers; and coordinating service's with various community mental health agencies in providing comprehensive treatment options for clients.

**Partial Hospitalization Substitute**, July 2008 to December 2008

Facilitated psychoeducation and skills development groups as well as maintained satisfactory and accurate clinical documentation.
